SAFEbuilt is currently seeking a talented, experienced Combination Building Inspector to join their team in the Tyrone, Georgia office. This position offers great opportunity for a dynamic, motivated self-starter to work on a variety of assignments. You'll be a member of our highly respected building department team with a full complement of resources to support you and exciting projects to keep you challenged. This position supports private provider services in the Greater Atlanta area.

JOB REQUIREMENTS:

- Performs daily field inspections of residential, commercial and public facility construction projects.
- Interacts with the public and explains technical information to both technically and non-technically trained individuals.
- Reviews residential and commercial plans and engineering calculations for building components to insure compliance with applicable codes.
- Provides recommendations regarding interpretations of City, State, Federal, and Construction standards, as well as local ordinances.
- Maintains accurate records to document inspections, test results, and additional details pertaining to inspections.
- Maintains computer logs of inspection reports, entering inspection results into permitting software.
- Perform other related duties as required.

SKILLS:

- Extensive knowledge of local building codes and current construction procedures/technology
- 3+ yrs. experience with Interpretation of codes in the field providing code compliant solutions
- Must possess the ability to positively interact with the other staff members, the general public, contractors, governmental entities, and other clientele
- Excellent verbal and written communication skills
- Good time management, organization, and attention to detail skills
- Demonstrated ability to exercise initiative and a considerable amount of independent judgment
- Candidate must be able to handle multiple projects in a fast paced atmosphere
- Candidate must stay familiar and up to date with different editions of the International Building Codes.
- Strong computer skills including Microsoft Office.

SPECIAL LICENSE/REGISTRATION/CERTIFICATION:

- ICC Inspector certifications in multiple trades preferred
- Valid driver's license with good driving record

COMPENSATION: SAFEbuilt pays competitive wages and has a strong benefit offering including company vehicle.
